# An Open Invitation

Part of our 55 acres of growing grounds

We, at "SELECT NURSIERES, INC.," would like to leave with you not only this catalogua - but also an invitation to visit us at any time. Although the name "SELECT" has been synonymous with quality for many years now, we certainly would welcome our new and old customers alike to come and see for yourself the vast expansion achieved in the last few years mainly as result of a happy clientel.

We shall always be happy to show you how our ultra modern operations work from the latest in mist propagation to the final touches in shipping out your merchandise. Our monthly newsletter has benn received with great enthusiasm for its timely comments and humorous professional implications for nearly two years by over 800 customers from the State of Washington to Florida. Just ask for "SELECT-IONS" and you, too, will receive it.

## PLEASE READ BEFORE ORDERING

### TERMS:

While or regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate.

### CONDITIONS:

This price list cancels all previous price lists and quotations, and is for the **TRADE ONLY**. All orders accepted subject to stock on hand at time of order.

### CLAIMS:

Claims must be made immediately upon receipt of goods. If an error has been made by us, please notify us promptly, and we shall take pleasure in adjusting the matter. We do not guarantee plants to live. At no time will we be responsible for more than the purchase price of the stock ordered.

We carefully pack all stock, and make every effort to secure prompt and careful handling by the transportation company. However, our responsibility ceases upon delivery of stock in good condition to the transportation company. Claims for damage or delay in transit should be filed with the transportation company. In this connection we shall be glad to assist you in any way we can.

### ACKNOWLEDGMENT:

Your orders will be acknowledged promptly and shipments made as quickly as possible, so if your order is not acknowledged please advise us immediately. Sometimes, because of inclement weather, or the press of business, there may be a slight delay in shipment, but we assure you that this will not be more than is absolutely necessary.

### PINTO TAG NURSERY.

It certifies that stock from which shipment is made has been found free of pests not of general distribution and is released for planting in all Counties of California, except Tulare and Ventura, without further inspection.

**TRUCK DELIVERIES:**

Free delivery to points in Southern California within reasonable distance of our regular delivery points; to all other points, F. O. B. Brea by the quickest, safest and most economical manner possible. Shipping charges to be paid by the Receiver.

**QUANTITY PRICES:**

We will be pleased to quote special prices on large quantities.

**NOTICE:**

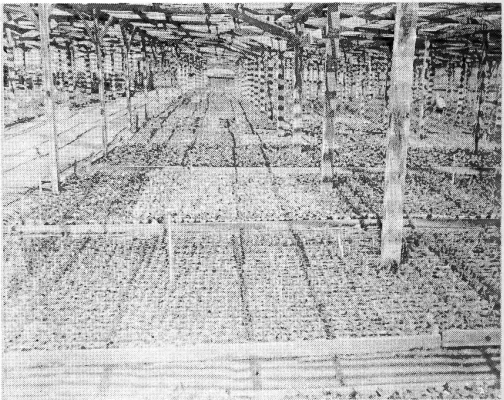

If you do not find the stock you want listed, please write to us, we may be able to supply you. We have many varieties, in insufficient quantities to warrant listing. We invite correspondence and are ready to assist our patrons in every way possible.

**PRICES SUBJECT TO CHANGE WITHOUT  
NOTICE**

## *Liners*

One of our liner houses

**We are one of the largest contract growers of liners in California. With our ultra-modern propagating facilities, where we are on a disease free program, our cuttings receive the "little extras" that add up to stronger rooted liners. We will be more than happy to go over your future liner lists, at your convenience, and quote prices that we feel will be to your liking.**
